Building Brand-Led Product Narratives That Drive Learner Acquisition, Activation & Retention at Global Scale

Senior product marketing leader with 10+ years driving subscriber growth and go-to-market strategy across global subscription and marketplace businesses. Known for translating complex product capabilities into emotionally resonant narratives that move audiences — from value proposition and launch architecture to lifecycle strategy and in-product storytelling. Proven cross-functional operator who builds tight alignment between Brand, Product, Growth, and Performance teams to ensure every stage of the customer journey reflects the brand’s promise and drives measurable results. Energized by the intersection of education, AI, and human-led product experiences, and motivated by the opportunity to shape how millions of learners grow.

Professional Experience

Adobe, Remote	04/2026 – Present
Senior Product Marketing Manager, Student Business	
- Own value proposition, messaging, and go-to-market strategy for the global student audience — translating product capabilities into emotionally resonant narratives designed to drive Creative Cloud adoption across a 250M+ learner market. - Conducted comprehensive AI-focused competitive landscape evaluation: designed and fielded a primary research survey, synthesized findings into actionable intelligence, and connected market insights directly to product positioning and GTM strategy.	
DIRECTV, Remote	08/2022 – 02/2026
Senior Product Marketing Manager	
- Led end-to-end product narrative and GTM strategy for premium video subscription products, achieving 120% of gross subscriber add targets in 2024 and 145% on traditional subscriber targets in 2025. - Built and operationalized competitive intelligence workstream across 10 key market competitors, translating market signals into proactive strategic responses that generated +50K incremental subscribers through 2H 2025. - Architected differentiated value propositions and brand-led campaign narratives for high-visibility launches — including “Stream DIRECTV Satellite-Free” (Travis Kelce) and “DIRECTV Like You’ve Never Seen It” (Kumail Nanjiani, Rob Mac) — contributing to 220K new subscribers quarterly. - Built tight operating rhythm across Brand, Creative, Product, and Performance teams to ensure positioning, campaign execution, and product launches were fully integrated and on time.	
KiwiCo, Inc., Mountain View, CA	10/2017 – 06/2022
Senior Marketing Manager	
Led cross-functional GTM campaigns for a learning-focused subscription brand, strengthening acquisition and engagement across digital, influencer, and partner channels for a family and young learner audience — directly analogous to driving learner growth on an EdTech platform.	

- Scaled subscriber acquisition through strategic partnerships with Vox Media, Smithsonian Institution, and Enfamil, expanding reach within education-aligned growth ecosystems.
- Managed multi-million-dollar marketing budgets and reduced customer acquisition costs by up to 20% through channel refinement, incrementality testing, and funnel analysis; implemented lift measurement to improve ROI attribution and pipeline impact.

Marketing Manager

10/2017 – 02/2020

- Grew influencer ecosystem to 7M+ global reach, sustaining CPA up to 50% below target and tripling monthly campaign volume from 40 to 120 across paid and organic channels.
- Owned affiliate channel through Q4 2019, growing subscriber acquisition 57% YoY while maintaining CPA — demonstrating strong grasp of subscription growth levers and lifecycle performance.
- Optimized website content and SEO strategy to improve traffic, engagement, and conversion across the full customer journey.

MarcoPolo Learning, Remote

08/2019 – 02/2020

Marketing Program Consultant

- Launched first-ever influencer marketing program for MarcoPolo World School — an Emmy-nominated STEAM + literacy platform for children ages 3–7 — developing audience messaging that drove parent discovery and product trial.

Minted, San Francisco, CA

12/2014 – 09/2017

Customer Retention Manager

09/2016 – 09/2017

- Co-developed and launched Minted More, the company's inaugural annual subscription program; captured 1K subscriptions in year one and doubled the member base in year two through targeted acquisition and retention messaging.

Associate Manager, CRM

12/2014 – 08/2016

- Designed and launched first lifecycle marketing strategy, identifying key trigger points across four core customer profiles to drive personalized activation and retention across a 1M+ customer portfolio.

Hulu, Los Angeles, CA

12/2012 – 12/2014

Editorial Coordinator

- Contributed to the launch of Hulu Plus, supporting rapid subscriber acquisition and growth to 25M+ members — foundational exposure to subscription product adoption and consumer engagement at scale.
